MISSION STATEMENT-“The mission of the government of the Town of Johnstown is to provide leadership based upon trust and integrity, commitment directed toward responsive service delivery, and vision for enhancing the quality of life in our community.

Members of the audience are invited to speak at the Council meeting. Public Comment (item No. 5) is reserved for citizen comments on items not contained on the printed agenda. Citizen comments are limited to three (3) minutes per speaker. When several people wish to speak on the same position on a given item, they are requested to select a spokesperson to state that position.

1) CALL TO ORDER
   A) Pledge of Allegiance

2) ROLL CALL

3) AGENDA APPROVAL

4) RECOGNITIONS AND PROCLAMATIONS

5) PUBLIC COMMENT (three-minute limit per speaker)

The Consent Agenda is a group of routine matters to be acted on with a single motion and vote. Council or staff may request an item be removed from the Consent Agenda and placed on the Regular Agenda for discussion.

6) CONSENT AGENDA
   A) Council Meeting Minutes – July 6, 2020
   B) June Financial Statements
   C) School Resource Officer Agreement

7) TOWN MANAGER REPORT

8) TOWN ATTORNEY REPORT

9) OLD BUSINESS
10) NEW BUSINESS

A. Consider Intergovernmental Agreement between Town of Johnstown and Johnstown Farms Metropolitan District
B. I25/CO 402 Interchange Financing Analysis
C. Town of Johnstown Small Business Micro Grant Program

11) COUNCIL REPORTS AND COMMENTS

12) MAYOR’S COMMENTS

13) ADJOURN

Work Session

Discuss Town’s Mission, Vision and Values Statement

NOTICE OF ACCOMMODATION
If you need special assistance to participate in the meeting, please contact the Town Clerk at (970) 587-4664. Notification at least 72 hours prior to the meeting will enable the Town to make reasonable arrangements to ensure accessibility to the meeting.
AGENDA DATE: July 20, 2020

ITEM NUMBER: 6A – 6C

SUBJECT: Consent Agenda

ACTION PROPOSED: Approve Consent Agenda

PRESENTED BY: Town Manager, Finance Director, Town Clerk

AGENDA ITEM DESCRIPTION: The following items are included on the Consent Agenda, which may be approved by a single motion approving the Consent Agenda:

A) Meeting Minutes July 6, 2020
B) June Financial Statements
C) *School Resource Officer Agreement

*After reviewing the expired intergovernmental agreement (IGA) between the Town and the Weld RE5J School District, it was determined that the IGA needed to be updated. The content of the IGA covers roles and responsibilities of both entities of the agreement and outlines current practices and policies and codifies them. Additions to the new agreement of note are as follows: The School District will now pay for 50% of the officer’s salary and benefits, cover 50% of the officer’s uniforms and equipment, and pay for 50% of the budgeted annual maintenance costs of the officer’s assigned police vehicle. Also covered in the agreement is the 50% cost sharing of replacing the officer’s vehicle when scheduled, to include the equipment upfit. If an additional SRO(s) are requested by the district, the School District will pay the costs mentioned above, but will also bear the full cost of the police vehicle and upfit associated with that new position(s). This agreement was reviewed and approved by the attorneys for both parties outlined in this agreement.
LEGAL ADVICE: The entire Consent Agenda may be approved by a motion of the Town Council approving the Consent Agenda, which automatically approves each and every item listed on the Consent Agenda. If a Council member wishes to have a specific discussion on an individual item included with the Consent Staff, with design creation led by BHA based on Council feedback. BHA has taken the guidance provided by Council and we may have a final design for Council’s consideration.

FINANCIAL ADVICE:
N/A

RECOMMENDED ACTION: Approve Consent Agenda

SUGGESTED MOTIONS:

For Approval: I move to approve the Consent Agenda.

________________________________________
Town Manager
Council Minutes
The Town Council of the Town of Johnstown met on Monday, July 6, 2020 at 7:00 p.m. in the Council Chambers at 450 S. Parish Avenue, Johnstown.

Mayor Lebsack led the Pledge of Allegiance.

Roll Call:
Those answering present were: Councilmembers Berg, Lemasters, Tallent and Young
Those absent were: Councilmembers Mellon and Molinar Jr.

The following staff members were also present: Avi Rocklin, Town Attorney, Matt LeCerf, Town Manager, Marco Carani, Public Works Director, Mitzi McCoy, Finance Director, Kim Meyer, Planning Director, Jamie Desrosier, Communication Manager and Aaron Sanchez, Police Commander.

Agenda Approval

Councilmember Lemasters moved to approve the Agenda as submitted, seconded by Councilmember Berg. Motion carried with a roll call vote.

Consent Agenda

Councilmember Berg moved to approve the Consent Agenda, seconded by Councilmember Tallent.

- June 15, 2020 Meeting Minutes
- June 29, 2020 Special Meeting Minutes
- List of Bills
- Water and Sewer Service Agreement – WDG Johnstown, LLC
- Resolution 2020-19 Energy Impact Grant

Motion carried with a roll call vote.

New Business

A. Request from Oakwood Homes for Amendments to prior Subdivision Development and Improvement Agreements for Thompson River Ranch Filings No. 5, 6, and 10 – Oakwood Homes has requested consideration of amendments to the Subdivision Development and Improvement Agreements for Filings 5, 6, and 10 of Thompson River Ranch. These agreements contain language that require High Plains Boulevard/LCR 3 be fully constructed as detailed in the agreements on or before Developer obtains the 120th building permit for the eastern portion of the development (exclusive of Filings 1, 3, 4 and 9). Oakwood Homes request for the amendment is the need to construct a box culvert crossing over the Hillsborough Ditch as part of the roadway construction project. The ditch company does not permit any construction in or across the ditch during its active season of water delivery, from April 1st to October 1st. Oakwood is concerned with their current pace of construction and sales this construction restriction will stop building permits until construction of High Plains Boulevard is complete. The Second Amendment to the Subdivision Development and Improvement Agreement includes Oakwood/Clayton will provide a Performance Guarantee to the Town in an amount equal to
110% of the cost of the uncompleted improvements and the road construction will be completed no later than June 30, 2021. After this date no additional building permits will be issued until the Larimer County Road 3 improvements are complete and accepted by the Town.

Councilmember Lemasters moved to Approve the Second Amendment to the Subdivision Development an Improvement Agreement (Thompson River Ranch Filing No. 5 and 6) and First Amendment to Subdivision Development and Improvement Agreement (Thompson River Ranch Filing No. 10), seconded by Councilmember Berg. Motion carried with a roll call vote.

B. Public Hearing – Final Subdivision Plat for Thompson River Ranch Filing No. 7 – The proposed subdivision would create 81 single family lots. Filing No. 7 is zoned PUD-MU and the existing Thompson River Ranch design standards and guidelines would apply.

Mayor Lebsack opened the public hearing at 7:25 p.m. Todd Bloom representing Clayton Properties II was present to answer any questions. Having no public comment Mayor Lebsack closed the hearing at 7:30 p.m.

Councilmember Berg moved to approve Resolution 2020-20 a Resolution Approving the Final Plat for Thompson River Ranch Filing No. 7 Located in the Northeast Quarter of Section 23, Township 5 North, Range 68 West of the 6th Principal Meridian County of Larimer, State of Colorado, Consisting of Approximately 24.533 Acres, seconded by Councilmember Young. Motion carried with a roll call vote.

C. Subdivision Development and Improvement Agreement for Thompson River Ranch Filing No. 7 – The Agreement requires the Developer to develop the property in accordance with the subdivision plat that was approved by Council. The Agreement requires the Developer to install public and private improvements at the Developer's cost in accordance with the Town's specifications. The Agreement also includes (in Exhibit B-3) milestones for completion of certain improvements. Councilmember Berg moved to approve the Subdivision Development and Improvement Agreement for Thompson River Ranch Filing No. 7, seconded by Councilmember Lemasters. Motion carried with a roll call vote.

D. Water and Sewer Service Agreement for Thompson River Ranch Filing No. 7 – The Water and Sewer Service Agreement is the standard town agreement. Councilmember Berg moved to approve the Thompson River Ranch Filing No. 7 Water and Sewer Service Agreement, seconded by Councilmember Young. Motion carried with a roll call vote.

E. E. 2020 Slurry Seal Bid Award – A-1 Chipseal – Councilmember Young moved to award a contract between the Town of Johnstown and A-1 Chipseal Company for the 2020 Town of Johnstown Street Maintenance Program in the amount not to exceed $197,521 and authorize the Town Manager to sign the contract as presented, seconded by Councilmember Lemasters. Motion carried with a roll call vote.
F. Approve Purchase of a Columbarium – This is a request for a 72-Niche Columbarium. Formal bids were placed on Rocky Mountain Bid Net. Two bids were received from Greeley Monument and DS Constructors. Based upon the bid price, staff is recommending award the bid to Greeley Monument in the amount of $44,175.60. Councilmember Young moved to approve the bid award to Greeley Monument in the amount not to exceed $44,175.60 and authorize the Town Manager to approve the remaining funds for the survey, foundation, benches and landscaping changes. The total project cost shall not exceed the budgeted amount of $75,000 seconded by Councilmember Berg. Motion carried with a roll call vote.

F. Final Design of Highway 60 and I-25 Overpass Project Aesthetics – BHA was hired to assist the Council and staff on a final aesthetic enhancement planned at the Highway 60 and I-25 Interchange. BHA has taken the guidance provided by Council and have developed a final design. Councilmember Berg moved to approve the final aesthetic design as presented changing the font type from Script to Classic, seconded by Councilmember Young. Motion carried with a roll call vote.

There being no further business to come before Council the meeting adjourned at 8:25 p.m.

School Resource Officer Agreement
INTERGOVERNMENTAL AGREEMENT
BETWEEN THE TOWN OF JOHNSTOWN AND
WELD COUNTY SCHOOL DISTRICT RE-5J FOR
A JOINT SCHOOL RESOURCE OFFICER PROGRAM

THIS INTERGOVERNMENTAL AGREEMENT ("Agreement" or "IGA") is made and entered into the ___ day of __________, 2020, by and between the TOWN OF JOHNSTOWN, a home rule municipality and political subdivision of the State of Colorado ("Town"), and the WELD COUNTY SCHOOL DISTRICT RE-5J, a political subdivision of the State of Colorado ("School District"), for the purpose of jointly operating a School Resource Officer Program ("SRO Program"). The Town and the School District may be collectively referred to as “Parties” and each individually as “Party.”

RECITALS

WHEREAS, the Town and the School District recognize that healthy and effective public education institutions contribute to vibrant and safe communities; and

WHEREAS, healthy and effective schools are promoted through close collaboration between the schools and the police to prevent and control juvenile delinquency and provide positive role models for youth; and

WHEREAS, the value of building positive, trusting relationships between police, faculty, youth and parents cannot be overestimated; and

WHEREAS, the Parties recognize that placing a full-time police officer in schools in the capacity of a School Resource Officer ("SRO") to work with the school community may be a positive force to help reduce drug and alcohol abuse, promote strong ethical values, serve as a deterrent to misbehavior and illegality, stand ready to assist promptly in emergency situations and assist with criminal investigations that are sensitive to the special needs of the educational community; and

WHEREAS, a police-school collaboration may assist schools in furthering their educational missions with programs that increase students’ knowledge about drug and alcohol abuse, traffic and pedestrian safety, violence prevention and conflict resolution, civic responsibility and the important role criminal justice institutions play in maintaining a free society; and

WHEREAS, the Town, the Johnstown Police Department ("Department") and the School District recognize the value of the SRO Program in promoting safe school environments for learning and teaching; and

WHEREAS, the Department is willing to train and supervise the SRO, whose main law enforcement duties shall be specifically related to prevention and intervention throughout the District’s schools located in the Town; and
WHEREAS, the District is authorized by the provisions of C.R.S. § 22-32-109.1(3) to enter into such agreements to keep its school environments safe; and

WHEREAS, intergovernmental agreements between political subdivisions of the State of Colorado to provide functions and services including the sharing of costs of such services or functions are specifically authorized by C.R.S. § 29-1-203; and

WHEREAS, such SRO programs are recognized as being effective in the development of positive relationships between law enforcement, school district employees, and youth: and

WHEREAS, the Parties find that it is in the best interests of the Town and the School District to enter into this cooperative Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the covenants and obligations expressed herein, it is hereby agreed by and between the Town and the School District as follows:

1. SCOPE OF SERVICES

A. Duties of the Town and the SRO. The Town shall assign an SRO to work with the administration, faculty and students of Roosevelt High School, Letford Elementary School and Pioneer Ridge Elementary School (“School” or “Schools”). Upon request of the School District, the Town may assign an additional SRO to work at the Schools. The SRO shall provide the services described below (collectively, the “Services”) from the first day of an academic year until the last day of such academic year (“School Year”).

1. The SRO shall assist in the prevention and control of delinquency, truancy, and disorder at the Schools, and shall collaborate and share information with School District staff regarding the Services as appropriate. Subject to the SRO’s discretion and law enforcement authority, the SRO shall take appropriate action as requested by School administrators.

2. The SRO shall take law enforcement action when necessary or as directed by the police chain of command.

3. The SRO shall assist the Schools and the School District staff in developing plans, procedures and strategies to prevent or minimize dangerous situations that can occur on campus.

4. The SRO shall be familiar with agencies and resources that may offer assistance to youth and their families and, in conjunction with the Schools, make referrals as appropriate.
5. The SRO shall have completed specific trainings and have established competencies, including but not limited to, working with teenagers and youth and de-escalating techniques.
6. The SRO shall provide a visible and consistent presence at the Schools as appropriate.
7. The SRO shall enforce federal, state and municipal laws as appropriate.
8. The SRO shall present to children, subject to permission, advice and guidance from School administrators and in coordination with School faculty and staff, various programs on issues such as conflict resolution, violence prevention, drug and alcohol abuse and traffic and pedestrian education.
9. The SRO shall notify the respective School’s principal or assistant principal when appropriate of school-involved criminal investigations and enforcement activity.
10. The SRO will not be present during administrative searches unless requested to do so because of safety concerns or other special circumstances. Should it become necessary for the SRO to conduct law enforcement interviews with the students, the SRO shall adhere to School District policy, regulations, and guidelines, as well as Department policy, and legal requirements with regard to such interviews, including but not limited to parental notification prior to conducting any such interview.
11. The SRO shall be familiar with and abide by all relevant School District policies, regulations, and guidelines related to safety, student conduct and discipline issues, including the School District’s Code of Conduct, except to the extent such policies, regulations, guidelines, and Code conflict with his or her responsibilities as a law enforcement officer.
12. The SRO shall not be assigned duties that are regularly assigned to School personnel, such as lunchroom, study hall or detention duties.
13. The SRO shall follow constitutional and legal guidelines on all procedures and protocol in the performance of the Services.
14. The SRO will understand that the Services are a critical piece of an overall community policing strategy that involves the entire community beyond the Schools, including but not limited to the Boys and Girls Club, the Girl Scouts, neighborhood groups and many others.
15. The SRO shall carry out any other duties approved by the Department chain of command, to the extent that they are consistent with the goals, objectives, and spirit of the SRO Program and the Department.
16. The SRO may transport students when the students are victims of a crime, a truant, under arrest or in protective custody, or in other appropriate circumstances.

B. Duties of the School District and the Schools. The School District and the Schools shall have the following duties:

1. The School District shall make every effort to coordinate programs that deal with law enforcement issues through the SRO. If the SRO is unable to provide the necessary support, then the SRO will use best efforts to secure appropriate resources.
2. Each School shall provide the SRO with access to office space for the purpose of performing class preparation, clerical and investigative duties. The office shall contain a telephone for general purposes and a desk with a locking drawer. The Department shall provide the SRO with customary office supplies, along with a computer and the forms required for the performance of the Services.

3. Each School shall provide, if available, network access for a computer so that e-mail and Internet are accessible to the SRO.

4. School officials shall allow the SRO to access student files that are a matter of public record and not protected by privacy laws that prevent access by law enforcement.

5. The School District and the Schools shall carry out any other duties approved by the School District Board of Education, to the extent that they are consistent with the goals, objectives and spirit of the SRO Program, the Department and the School District.

2. PROGRAM ADMINISTRATION

A. Employment and Assignment. The Department shall select and assign an officer to be the SRO. The selected officer shall be certified by the Colorado Peace Officer Standards and Training Board and be an appointed sworn police officer of the Town. The SRO shall be an employee of the Town and shall comply with the policies and procedures of the Town and the Department. In the event of an emergency or other need as determined by the Department, the Department reserves the right to order and assign an SRO to assume non-SRO duties and leave a School or otherwise cease performance of the Services temporarily, until the emergency or other Department need has been resolved. In addition to the foregoing, upon request of the School District, the Department may select and assign an additional officer to work at the Schools as an SRO and, if so, the provisions of this Agreement shall apply to the second SRO.

B. Schedule. The SRO will work a schedule generally consistent with regular School hours, meaning eight (8) hours a day, five (5) days a week. During School vacations and other non-School days, the Department may assign the SRO to other police duties that meet the needs of the Department. Nevertheless, the mutual understanding is that SRO will spend at least seventy-five percent (75%) of his or her work time in and around the Schools or doing SRO-related work during regular School hours in the course of the School Year. The School District acknowledges and agrees that the SRO may be required to leave a School to perform tasks specific to the Services including, but not limited to, attendance in court or performing follow-up investigations, arrests, and training. A School may request the presence of the SRO for special events, such as interscholastic games and
dances, in which the SRO is performing predominantly a security role outside of regular school hours ("Special Event Hours"). The Department may, in its discretion, assign qualified officers other than the appointed SRO to perform the special event services. The School District shall reimburse the Town for additional payment to the SRO or assigned officer, as applicable, based on the Department’s standard off-duty contract rate. Within thirty (30) days of the SRO or officer providing such Special Event Hours, the Town shall submit a detailed invoice to the District detailing the number of Special Event Hours provided, the standard overtime rate for such hours and setting forth the total amount owed by the District. The District shall pay the invoice within thirty (30) days of receipt of such invoice.

C. **Supervision.** The SRO shall follow the Department’s chain of command and all Town and Department policies and procedures. The Department supervisors shall supervise the SRO. The assigned supervisor will be responsible for maintaining contact with the principals, School administrations and their management staffs. The SRO will work closely with School administrators and faculty to determine the most effective use of the officer’s time and expertise, but shall not be subject to the supervision of or direction by the School District, its officers, agents or employees.

D. **Performance and Appraisal of the SRO.** The assigned Department supervisor shall evaluate the SRO’s performance consistent with the Town’s policies and procedures and shall accept input from the Schools’ principals and their designees. In the event that School officials, with the concurrence of the Superintendent of Schools, have concerns about the performance of the SRO or conclude that the SRO is not effectively performing the Services, the School District may contact the Department’s Chief of Police. The Chief of Police may attempt to resolve the issues by meeting with School District officials, the SRO, or both. The Chief of Police retains the discretion and right to reassign or terminate the SRO based upon the Town’s and Department’s respective policies and procedures.

E. **Evaluation.** The Department will assess and evaluate the effectiveness of the SRO Program through consultation with the School District, survey work of the students and faculty, analysis of crime and discipline statistics or other methods.

F. **Uniform.** The SRO shall wear standard Department police uniforms. In special circumstances, with supervisory permission, the SRO may wear plain-clothes so long as he or she presents a professional appearance.

1. **Single SRO.** If only one SRO is assigned to the Schools, the School District shall pay fifty percent (50%) of the cost of the SRO’s uniform within thirty (30) days of execution of this Agreement. For the 2019-2020 School Year, the cost of the uniform is $650.00 and the School District’s portion is $325.00. The Town shall notify the School District of the cost of the uniform for each subsequent School Year that this Agreement is in effect and, within thirty (30) days of receipt of such notice, the School District shall pay fifty percent (50%) of such cost.
2. **Multiple SROs.** If the School District requests that a second SRO be assigned to the Schools, the School District shall pay the entire cost of the second SRO's uniform. The Town shall notify the School District of the cost of the uniform and, within thirty (30) days of receipt of such notice, the School District shall pay such cost.

G. **Firearms.** While on-duty, the SRO shall always carry a Department approved firearm, provided that, in special circumstances and with police supervisory authorization, the SRO may be unarmed.

H. **Vehicle.**

1. **Maintenance.** The Department shall provide the SRO with the use of a Department vehicle while performing the Services. The School District shall pay fifty percent (50%) of the Town-budgeted maintenance costs for the vehicle during each calendar year that this Agreement in effect. For the 2020 calendar year, the maintenance cost for the SRO vehicle is budgeted to be $670.00, and the School District's portion is $335.00. The School District shall pay such amount within thirty (30) days of execution of this Agreement. If the maintenance cost exceeds $670.00 during the 2020 calendar year, the Town shall notify the School District of the increased cost and, within thirty (30) days of receipt of such notice, the School District shall pay fifty percent (50%) of such increased cost. If the maintenance cost is less than $670.00 during the 2020 calendar year, the School District shall be entitled to a credit during the next calendar year. On or after January 1 of each calendar year that this Agreement is in effect, the Town shall notify the School District of the budgeted maintenance costs for that calendar year and, within thirty (30) days of receipt of notice, the School District shall pay the Town half of the budgeted cost.

2. **Replacement of Existing Vehicle.** When the Department vehicle that is used for the SRO is replaced, the Town and the School District shall share equally in the cost of a new vehicle and in the cost to up-fit the vehicle to perform the Services herein. The Town shall provide the School District with one (1) year notice of the need to replace the existing vehicle along with an estimate of the anticipated cost. The School District shall pay the actual cost within thirty (30) days of receipt of an invoice from the Town.

3. **Addition of New Vehicle.** If a second SRO is assigned to the Schools, the School District shall incur the cost of a new vehicle and in the cost to up-fit the vehicle to perform the Services herein. The School District shall pay this cost within thirty (30) days of receipt of an invoice from the Town. If the SRO is not needed in future years, the School District and the Town can negotiate
purchasing the vehicle back from the district at a prorated depreciable cost (typically a 5 year depreciation rate).

I. **Salary and Benefits.** The SRO Program is funded by the Town and the School District. The SRO will receive salary and employee benefits and normally issued equipment and supplies from the Department. The School District agrees to pay the Town an amount equivalent to fifty percent (50%) of the SRO’s salary and benefits for providing the Services for each School Year that this Agreement is in effect ("Service Fee"). For the 2019-2020 School Year, the SRO’s salary and benefits total $78,784.00 and the Service Fee owed by the School District to the Town is $39,392.00. The School District shall pay the Service Fee for the 2019-2020 School Year in twelve (12) monthly installments, beginning July 1, 2019 through June 30, 2020. For each subsequent School Year that this Agreement is in effect, the School District shall to pay the Town a Service Fee in an amount equivalent to fifty percent (50%) of the salary and benefits of the SRO assigned by the Department for the School Year, and the School District shall pay such Service Fee in twelve (12) monthly installments commencing on July 1 for the respective School Year during which the Services will be rendered. In the event the Town or Department shall increase the SRO salary and benefits for any subsequent year, the Town shall notify the District, on or after October 15th of each calendar year, of the amount of such increase and of the Service Fee for the next calendar year. The parties agree to negotiate in good faith regarding any such increase in the Service Fee.

J. **Liability Coverage.** The School District shall maintain general liability coverage, and the Town shall maintain general liability and law enforcement liability coverages, in the minimum amounts of the per occurrence and aggregate liability limits of the Colorado Governmental Immunity Act, for protection from claims for bodily injury, death, property damage, or personal injury which may arise through the performance of this Agreement.

3. **TERM, RENEWAL AND TERMINATION OF AGREEMENT; NOTICE**

A. **Term; Renewal.** The term of this Agreement shall be for the 2019-2020 School Year, and shall be retroactively effective from August 19, 2019 through May 22, 2020 ("Term"). Unless otherwise terminated as set forth herein, this Agreement shall automatically renew for five (5) subsequent School Years, to and including the end of the 2024-2025 School Year (each subsequent School Year to be included in the "Term").

B. **Termination.** Either Party may terminate this Agreement, with or without cause, by providing thirty (30) days written notice to the other Party. Upon termination, the Town shall remit to the School District a pro-rata portion of the Service Fee and of the vehicle and uniform expenses set forth in Section 2 above.

C. **Notice.** Any notice required or permitted by this Agreement shall be in writing and
shall be deemed given seventy-two (72) hours after the same has been deposited, certified mail, in any post office or postal box regularly maintained by the United State Postal Service addressed to the School District Superintendent at 110 South Centennial Dr., Ste. A, Milliken, CO 80543 and to the Chief of Police of the Town of Johnstown Police Department, 430 S. Parish Avenue, Johnstown, Colorado 80543. A Party may change these addresses at any time by similar notice. Notwithstanding the foregoing, either Party may provide notice via electronic mail ("e-mail") on the condition that the receiving Party acknowledges receipt of the e-mail and does not, upon receipt, object to the form of notice.

4. MISCELLANEOUS PROVISIONS

A. Governmental Immunity. Nothing in this Agreement shall be construed: (i) as a waiver by either Party of immunity provided by common law or by statute, specifically including the Colorado Governmental Immunity Act, Section 24-10-101, et seq., C.R.S., as it may be amended from time to time; (ii) as creating an assumption of any duty or obligation with respect to any third party where no such duty previously existed; or (iii) as creating any rights enforceable by such third parties.

B. Entire Agreement. This Agreement constitutes the entire agreement and understanding between the Parties and supersedes all prior agreements or understandings.

C. Relationship of the Parties. It is mutually agreed and understood that nothing contained in this Agreement is intended or shall be construed as in any way establishing the relationship of co-partners or a joint venture between the Town the School District, or as construing the School District, including its officers, agents, volunteers and employees, as an agent of the Town, or as construing the Town, including its officers, agents, volunteers and employees, as an agent of the School District. The School District shall not represent that the SRO is an employee or agent of the School District in any capacity. The SRO shall not represent that he or she is an employee or agent of School District in any capacity. The SRO shall remain solely an employee of the Town.

D. No Third-Party Beneficiaries. It is expressly understood and agreed that the enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, are strictly reserved to the Parties and nothing in this Agreement shall give or allow any claim or right or cause of action whatsoever by any other person not included in this Agreement. It is the express intention of the parties that no person and/or entity, other than the undersigned parties, receiving services or benefits under this Agreement shall be deemed any more than an incidental beneficiary only.
E. **No Waiver of Rights.** No waiver of any right under this Agreement shall operate as, or be construed to be, a waiver of any subsequent breach of the same or any other provision of this Agreement.

F. **Article X, Section 20 of the Colorado Constitution.** The Parties understand and acknowledge that each of the Parties is subject to Article X, § 20 of the Colorado Constitution ("TABOR"). The Parties do not intend to violate the terms and requirements of TABOR by the execution of this Agreement. It is understood and agreed that this Agreement does not create a multi-fiscal year direct or indirect debt or obligation within the meaning of TABOR and, therefore, notwithstanding anything in this Agreement to the contrary, all obligations herein are expressly dependent and conditioned upon the continuing availability of funds beyond the term of each Party’s current fiscal period. Obligations payable after the current fiscal year are contingent upon funds for that purpose being appropriated, budgeted and otherwise made available in accordance with the rules, regulations, and resolutions of each of the Parties and other applicable law. Notwithstanding any other provision to the contrary, continuation of this Agreement beyond the end of a calendar year is dependent upon the Parties appropriating sufficient funds for payment of the fees due under this Agreement or necessary to perform the Services for such subsequent fiscal year.

G. **Governing Law, Venue and Enforcement.** The terms of this Agreement shall be governed by and construed in accordance with Colorado law. Venue for any claim, proceeding or action arising out of this Agreement shall be in Weld County, Colorado. To reduce the cost of dispute resolution and expedite the resolution of disputes under this Agreement, the Parties waive any and all rights to request a jury trial in any civil action relating primarily to enforcement of this Agreement.

H. **No Precedence.** Each Party acknowledges that it has carefully read and reviewed the terms of this Agreement. Each Party acknowledges that the entry into and execution of this Agreement is of its own free and voluntary act and deed, without compulsion. Each Party acknowledges that it has obtained, or has had the opportunity to obtain, the advice of legal counsel of its own choosing in connection with the negotiation and execution of this Agreement and with respect to all matters set forth herein. The Parties agree that this Agreement reflects the joint drafting efforts of all Parties and in the event of any dispute, disagreement or controversy arising from this agreement, the Parties shall be considered joint authors and no provision shall be interpreted against any Party because of authorship.

I. **Assignment.** Neither Party shall have the right to transfer or assign, in whole or in part, any or all of its rights, duties or obligations under this Agreement without the prior written consent of the other Party.

J. **Amendment.** This Agreement may not be amended or modified except by a subsequent written instrument signed by both Parties.

K. **Severability.** If any part, term or provision of this Agreement is declared unlawful
or unenforceable, the remainder of this Agreement shall remain in full force and effect.

L. **Headings.** The headings in this Agreement are inserted only for the purpose of convenient reference and in no way define, limit or prescribe the scope or intent of this Agreement or any part thereof.

M. **Counterparts.** This Agreement may be executed in multiple counterpart originals and in such case this Agreement shall have the same force and effect as if all signatures appeared on the same original. An executed copy shall be considered an executed original.

[Remainder of page intentionally left blank.]
IN WITNESS WHEREOF, the above parties hereto have caused this Agreement to be executed the day and year first above written.

WELD COUNTY REORGANIZED SCHOOL DISTRICT RE-5J

By: ____________________________
    Board of Education President
Upcoming Town Council Work Sessions – If there are topics that the Council would like staff to schedule for discussion, please let me know. The following topics are recommended for Council discussion (all meetings will be held in the Town Council Chambers unless otherwise indicated):

- 08/03/2020 – Regular Town Council Meeting
- 08/17/2020 – Regular Town Council Meeting
- 09/09/2020 – Regular Town Council Meeting

Administration, Finance, & Planning

- **Liquor Licenses** – Cheba Hut and Coral Bay Wine and Spirits renewal applications have been submitted to the State for approval.
- **Meeting and Agenda Management Software** – Staff purchased Agenda Management Software through Municode. We will begin transitioning to the new system within the next couple months.
- **Municipal Court** – There were 166 summonses processed in the month of June.
- **Development Review** – As of the end of June 2020, the Planning & Development Department has processed 31 new projects, 25 pre-application meetings, and 1 code enforcement issue.
- **Comprehensive Plan** – The Steering Committee and Staff launched Phase 2 of the Comp Planning effort, and are actively seeing community engagement through social media and signs placed throughout Town for the next 4-6 weeks. A Phase 1 summary is in the final
draft stage and should be available on the webpage no later than July 24. The next meeting is scheduled for July 22.

• **Conditional Use Neighborhood Meeting** – A neighborhood meeting for those in the immediate vicinity was held on July 16 to discuss a proposed gas station and convenience store at Parish and Hwy 60. That feedback will help inform proposed plans from the Applicant, and be included in reports to the PZC and Town Council at future hearings on that use.

• **Gerrard Rezone** – Staff intends to attend the July 22 Weld County BOCC hearing on this rezone, for which the Town Council passed Resolution 2020-13 opposing the rezone.

• **Planning & Zoning Commission** – After multiple rounds of advertisement on the website and mention on social media, the PZC still has one seat open on the commission. If Council has any recommendations on engaged citizens to reach out to, Staff would gladly follow up with them.

• **Service Orders** – Caselle has a service order module that is currently being mapped and prepared so that staff can more efficiently get service/work needs communicated to the Public Works department. This system should improve efficiency while allowing requests to be tracked and resolved. Training on the use of the module is expected to occur next week with implementation immediately following.

• **2019 Audit** – The 2019 audit is ongoing. To ensure that the Town is in compliance with state law, a request for an extension has been filed with the State Auditor’s Office due to the fact that we anticipate the audit may not be completed by the July 31 deadline. The audit presentation to Council is scheduled for late August.

• **CARES Act** – The Town has filed the necessary application with DOLA for reimbursement of funds expended for costs associated with the COVID-19 pandemic.

• **PIO Training Completed** – The Communications Manager recently completed a Public Information Officer Training with Police Social Media Academy in an effort to better understand our various departmental communications, resident needs/expectations, and provide more timely and relevant information on Town social media platforms.

• **Monthly Newsletters** – The Communications Department has been putting out monthly newsletters since June 2020. Residents and those interested are encouraged to sign up for this email-based monthly communication by visiting TownofJohnstown.com.

• **IT Services** – The Town recently changed IT Services to TimberLAN, fully effective July 15. They are evaluating our system currently and will be providing recommendations for improving our system and telecommuting operations if changes become necessary again due to COVID-19.

• **Thompson River Trail** – We had our kick-off meeting with OTAK who is coordinating our Thompson River Trail Project. It appears there will be a number of environmental hurdles to overcome in this project, but we do expect a great outcome.

• **Property Tax Collections** – As of June 30th, the Town has collected 73.5% of the property tax revenue that was budgeted for Weld County, and 96.6% for Larimer County.
• **Sales Tax Revenue** – Sales tax revenue (excluding taxes collected on vehicles) has increased 22.22% for the months of January – May of 2020 when compared to the same period last year. Sales tax revenue collected on vehicle sales is down 28.99% for the months of January – April 2020 when compared to the same period last year. Overall, the net increase is 6.57% in sales tax revenues.

• **Economic Development Coordinator** – The ED Coordinator position is currently being advertised. An initial review of applications is expected July 24 and we may commence interviews based on those applications received; reserving the right to extend the time period for accepting resumes.

**Police Department**

*Training*

• **Senate Bill 217 Training** – The entire department received training on the new Senate Bill 217 - police reform bill. This training was mandated by the bill and was to be completed by September 1, 2020.

**Community Policing, Outreach & Miscellaneous Items**

• **New App Development** – In response to reporting requirements set forth by Senate Bill 217, Lt. Oglesby created a phone app to be used on the street by officers to capture racial profiling data. As a result, over 50 police departments from across the State contacted JPD to copy the program for use by their agencies.

• **New Hires** - JPD swore in Officer Wild and Officer Morgan. They will begin their new hire training soon.

**Public Works Department**

*Streets, Stormwater, & Parks*

• **Signs** – Staff started replacing the old blade street signs around Town. Over 60 signs were ordered. Our goal is to have all new street signs installed within the next 3 years.

• **Weeds** – Goat heads around the walking path at the Town Lake and weeds sprouting in roadway cracks are being addressed.

• **Town Hall** – Crews have been trimming trees and weeding all the beds around Town Hall. Mulch will be brought in to top off all the bedding areas.

• **Pioneer Ridge** – The large hole in the drain way in Pioneer Ridge has been filled in. Crews were able to collapse the hole and imported 50 yards of soil to recontour the area.

• **Alleys** – Grading of alleys as well as CR 3, 42, 44, and 46 were completed.

• **CR 50** – Crews started paving the week of the July 13. All driveway culverts have been installed and approx. 22,000 tons of road base has been placed. Tentative completion date is the first week of August.

• **Playgrounds** – We are continuing to disinfect our playgrounds 3 to 5 days per week. All benches, tables and playground equipment are being sprayed with disinfectant.
• **Parks** – Recent high temperatures have created a challenge for crews to keep park grass looking green. Sprinkler system repairs are ongoing.

• **Fire Hydrants** – Crews are currently working on flushing fire hydrants around Town. We are hoping to have most hydrants flushed by the end of August. Repairs were completed on the fire hydrant located at Johnson’s Corner that was recently damaged by a contractor.

**Water and Wastewater Plants**

• **Low Point & Central WWTP** – The Capacity Performance and Evaluation assessment report required by CDPHE was submitted on time on July 13. This report will explain to CDPHE what improvements we need to concentrate on and how the plant operated to stay in compliance. The report was completed by Aqua Engineering who was hired to design the expansion of the plant. This is part of the Cease and Desist Orders issued by CDPHE in January 2020. A monetary penalty is forthcoming due to our performance over the past 5 years at the wastewater treatment plants.

• **Water Restrictions** – New voluntary water restrictions were announced Friday, July 10. Between the hours of 3-6 a.m. our plant is struggling to keep up with water demand so we asked residents to adjust their water schedule based on their address. If an address ends in an odd number watering should take place anytime between 10 p.m. to 12:30 a.m. and even addresses from 3 a.m. to 5:30 a.m. We will continue to monitor water usage and if we cannot balance the demand, we will consider other alternatives which may include some water restrictions.

• **Service Pumps** – Our #2 high service pump was recently repaired.

• **SCADA** – Our contractor, Browns Hill, has been fine tuning the TRR flow SCADA and connecting the new polymer pump to our system. They are also looking into the cost to restructure our controls to help with overnight demand and operation of pumps.

• **Testing** – Testing on lead and copper is expected to begin in the next 2 weeks per state guidelines. Geosmin and MIB samples will be taken the week of the August 13. These are two primary compounds contributing to odor and taste in water.

• **Blower** – Blower #3 at Low Point recently tripped. An investigation revealed that 100-amp fuses and an exhaust fan motor burned out. Staff is currently repairing these issues.

• **Central Plant** – New electrical conduit has been installed for our new polymer pump skid. A new fuse block and transformer with disconnect were also installed.

• **Bar Screen** – The new bar screen is doing its job and removing solids prior to them entering the ponds. Staff unfortunately is tasked with cleaning the screen often to keep the screen from becoming clogged.
AGENDA ITEM DESCRIPTION:

For consideration is a proposed intergovernmental agreement (“IGA”) between the Town of Johnstown (“Town”) and the Johnstown Farms Metropolitan District (“District”) relating to exclusion of property from the boundaries of the District. The background is as follows. On or about September 17, 2007, the Town approved the Service Plan for the District, and the District was thereafter organized. The Service Plan anticipated development within the District in two separate filings, identified as Filing Number 1 (“Filing 1”) and Filing Number 2 (“Filing 2”). Since approval of the Service Plan, public improvements to serve 111 residential lots and commercial property in Filing 1 were constructed. Public improvements to serve Filing 2 were not constructed. A parcel within Filing 1 and all of Filing 2 were sold by the original developer to TF Johnstown Farms, LP (the “Developer”) and, because the filings are not contiguous and to minimize the financial obligations of Filing 1 related to Filing 2, the Developer desires to develop Filing 2 independently from Filing 1. Developer thus seeks to exclude Filing 2 from the boundaries of the District and, at a subsequent date, form a new metropolitan district to serve the Filing 2 development, which will be developed as Johnstown Farms Filing No. 2 and No. 3. Pursuant to the Service Plan, the District is required to obtain the Town’s consent to exclude Filing 2. In addition, in the midst of discussions with the Developer, Town staff discovered that the Town Hall property is in the boundaries of the District. The Town Manager, on behalf of the Town, submitted a Petition to Exclude the Town property from the District, a copy is included. If Town Council approves the IGA allowing for exclusion of Filing 2, then the District anticipates taking both exclusions, Filing 2 and the Town property, to the Court to obtain an order of exclusion.
The IGA contains certain additional noteworthy terms. Because the reduction in the size of the boundaries of the District is materially different than what was contemplated in the Service Plan, the District agrees to reduce the maximum debt authority in the Service Plan from $5.6M to $2.1M so that the taxpayers remaining in the District will not be overly burdened with debt. In addition, pursuant to Subdivision Development and Improvement Agreement between the Town, the Developer and the District dated on or about December 2, 2019 and the plat for the Johnstown Farms Filing No. 3, the District agreed, respectively, to maintain certain sanitary sewer improvements and to mow and weed open space. Until the new metropolitan district is formed, the District will remain obligated to perform those obligations.

LEGAL ADVICE:
The Town Attorney and counsel for the District prepared the IGA.

FINANCIAL ADVICE:
N/A

RECOMMENDED ACTION:
Approve the Intergovernmental Agreement between the Town of Johnstown and Johnstown Farms Metropolitan District.

SUGGESTED MOTIONS:

For Approval
I move to approve the Intergovernmental Agreement between the Town of Johnstown and Johnstown Farms Metropolitan District and authorize the Mayor to sign it.

For Denial
I move we deny approval of the Intergovernmental Agreement between the Town of Johnstown and Johnstown Farms Metropolitan District.

Reviewed and Approved for Presentation,

_______________________________
Town Manager
INTERGOVERNMENTAL AGREEMENT BETWEEN
THE TOWN OF JOHNSTOWN, COLORADO
AND
JOHNSTOWN FARMS METROPOLITAN DISTRICT

THIS AGREEMENT is made and entered into as of this 20th day of July, 2020, by and between the TOWN OF JOHNSTOWN, a home-rule municipal corporation of the State of Colorado (“Town”), and JOHNSTOWN FARMS METROPOLITAN DISTRICT, a quasi-municipal corporation and political subdivision of the State of Colorado (the “District”). The Town and the District are collectively referred to as the “Parties.”

RECITALS

WHEREAS, the District was organized to provide those services and to exercise powers as are more specifically set forth in the District’s Service Plan approved by the Town on September 17, 2007 (“Service Plan”); and

WHEREAS, the Service Plan anticipated development within the District in two separate filings, identified respectively in the Service Plan as Filing Number 1 (“Filing 1”) and Filing Number 2 (“Filing 2”), a legal description of which is attached hereto as Exhibit A; and

WHEREAS, since approval of the Service Plan, public improvements to serve the 111 residential lots and the commercial lots in Filing 1 were constructed (the “Johnstown Farms Development”); and

WHEREAS, a parcel within Filing 1 and all of Filing 2 were sold by the original developer to TF Johnstown Farms, LP (the “Developer”) and, because the filings are not contiguous and to minimize the financial obligations of Filing 1 related to Filing 2, the Developer desires to develop Filing 2 independently from the Johnstown Farms Development; and

WHEREAS, in order to develop Filing 2 independently from the Johnstown Farms Development, the Developer intends to exclude Filing 2 from the boundaries of the District and to form a new metropolitan district to serve the Filing 2 development (the “New District”), to be developed as Johnstown Farms Filing No. 2 and No. 3; and

WHEREAS, the District is obligated under that certain Subdivision Development and Improvement Agreement between the Town, the Developer and the District dated on or about December 2, 2019 (the “SIA”) to maintain certain sanitary sewer improvements constructed by the Developer until the Town constructs future sanitary sewer improvements (the “SIA Obligations”); and

WHEREAS, the District is responsible under that certain plat for the Johnstown Farms Filing No. 3 (the “Filing 3 Plat”) for mowing and weed control within certain open space areas to be owned and maintained by the Town (the “Plat Obligations”); and
WHEREAS, the SIA Obligations and the Plat Obligations relate to development of the Filing 2 property that the Developer intends to exclude from the boundaries of the District and include into the New District; and

WHEREAS, the Parties agree that, until the New District is organized, the District shall continue to be obligated to perform the SIA Obligations and the Plat Obligations and that, when organized, the New District may assume the SIA Obligations and Plat Obligations thereby relieving the District of obligations not related to the Johnstown Farms Development; and

WHEREAS, the District anticipates receiving a petition for exclusion from the Developer pursuant to Section 32-1-501(1), C.R.S. requesting exclusion of all or a portion of Filing 2; and

WHEREAS, the Town and District recently discovered that certain property owned by the Town and located at Lot 1, Johnstown Farms Filing #1, 2nd Amendment (the "Town Property") is located within the boundaries of the District, and the Town desires to exclude its property from the District; and

WHEREAS, the District has received a petition for exclusion from the Town pursuant to Section 32-1-501(1), C.R.S., requesting exclusion of its property from the District; and

WHEREAS, pursuant to Section VIII of the Service Plan, the District is not permitted to enlarge, reduce or in any way change its boundaries by inclusion or exclusion without obtaining prior written approval of the Town; and

WHEREAS, the District desires consent from the Town to exclude all or a portion of the territory owned by the Town and the Developer, respectively, from the District; and

WHEREAS, the Town is willing to consent to the District’s exclusion of the territory owned by the Town and the Developer from its boundaries and desires to assure that, by doing so, the Johnstown Farms Development will not be negatively impacted; and

WHEREAS, the Town’s policy with respect to special districts, adopted subsequent to the approval of the Service Plan, requires execution of an intergovernmental agreement between the Town and special districts related to the enforcement of their service plans; and

WHEREAS, the Town and the Districts have determined it to be in the best interests of their respective taxpayers, residents and property owners to enter into this Intergovernmental Agreement ("Agreement").

NOW, THEREFORE, in consideration of the covenants and mutual agreements herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

**COVENANTS AND AGREEMENTS**

1. **Incorporation by Reference**. The provisions of the Service Plan are incorporated in this Agreement by this reference. The District agrees to comply with all provisions of the Service Plan.
2. **Enforcement.** The Parties agree that this Agreement may be enforced in law, or in equity for injunctive, or other appropriate relief. The parties also agree that this Agreement may be enforced pursuant to Section 32-1-207, C.R.S. and other provisions of Title 32, Article 1, C.R.S., granting rights to municipalities or counties approving a service plan of a special district.

3. **Boundary Adjustment Authorization.**

   a. Consent to Exclude: The Town hereby consents to the exclusion of all or a portion of the territory within Filing 2 upon petition of the fee owners of 100% of such property as provided in Section 32-1-501(1), C.R.S., and consents to the exclusion of all or a portion of the Town Property upon petition of the fee owners of 100% of such property as provided in Section 32-1-501(1), C.R.S.

   b. Consent to Re-Include: In the event the Developer is not able to obtain approval of a service plan by the Town for the New District, the Town hereby consents to the re-inclusion of all or a portion of Filing 2, if excluded from the District, into the District upon petition of the fee owners of 100% of such property as provided in Section 32-1-401(1)(a), C.R.S.

4. **Debt Issuance Limitation.** The District agrees that, notwithstanding the terms of the Service Plan authorizing the issuance of debt in the maximum amount of $5,600,000, if it excludes Filing 2 from the District, the District will not issue debt encumbering the Johnstown Farms Development in excess of $2,100,000 without the prior written consent of the Town Council. Pursuant to Section XI of the Service Plan, such reduction in the debt authorization constitutes a modification of the Service Plan and thus a binding obligation with which the District must comply. If, however, Filing 2 is not excluded or is re-included into the District pursuant to Section 3.b. above, the District shall be authorized to issue debt in accordance with the limitations of the Service Plan.

5. **SIA Obligations and Plat Obligations.** Notwithstanding exclusion of Filing 2, the District recognizes and agrees that it remains obligated to perform the SIA Obligations and Plat Obligations as required in the SIA and the Filing 3 Plat. When the New District is organized, the District may assign the SIA Obligations and Plat Obligations to the New District by execution of a written assignment. Prior to execution of the assignment, the form of written assignment shall be provided to the Town for review and approval, which will not be unreasonably withheld.

6. **Entire Agreement of the Parties.** This written Agreement constitutes the entire agreement between the Parties and supersedes all prior written or oral agreements, negotiations, or representations and understandings of the parties with respect to the subject matter contained herein.
7. **Notices.** All notices, demands, requests or other communications to be sent by one party to the other hereunder or required by law shall be in writing and shall be deemed to have been validly given or served by delivery of same in person to the address or by courier delivery, via United Parcel Service or other nationally recognized overnight air courier service, or by electronic mail or by depositing same in the United States mail, postage prepaid, addressed as follows:

To the Districts:  
Johnstown Farms Metropolitan District  
Attn: Zachary P. White, Esq.  
2154 E. Commons Avenue, Suite 2000  
Centennial, Colorado 80122  
Phone: (303) 858-1800  
Fax: (303) 858-1801  
Email: zwhite@wbapc.com

To the Town:  
Attn: Town Manager  
Town of Johnstown  
450 S. Parish Avenue  
Johnstown, CO 80534  
Phone: (970) 587-4664  
Email: mlceerf@townofjohnstown.com

All notices, demands, requests or other communications shall be effective upon such personal delivery or one (1) business day after being deposited with United Parcel Service or other nationally recognized overnight air courier service or three (3) business days after deposit in the United States mail or upon delivery of the electronic mail on the condition that the recipient acknowledges receipt thereof. By giving the other party hereto at least ten (10) days written notice thereof in accordance with the provisions hereof, each of the Parties shall have the right from time to time to change its address.

8. **Amendment.** This Agreement may be amended, modified, changed, or terminated in whole or in part only by a written agreement duly authorized and executed by the Parties hereto and without amendment to the Service Plan.

9. **Assignment.** Neither Party hereto shall assign any of its rights nor delegate any of its duties hereunder to any person or entity without having first obtained the prior written consent of the other Party, which consent will not be unreasonably withheld. Any purported assignment or delegation in violation of the provisions hereof shall be void and ineffectual.

10. **Default/Remedies.** Upon the occurrence of any event of breach or default by either Party, the non-defaulting party shall provide written notice to the other Party. The defaulting Party shall immediately proceed to cure or remedy such breach or default, and in any event, such breach or default shall be cured within fifteen (15) days after receipt of the notice. Following the cure period in the event of a breach or default of this Agreement by either Party, the non-defaulting Party shall be entitled to exercise all remedies available by law or in
equity, specifically including suits for specific performance and/or monetary damages. In the event of any proceeding to enforce the terms, covenants or conditions hereof, the prevailing Party in such proceeding shall be entitled to obtain as part of its judgment or award its reasonable attorneys’ fees, to the extent permitted by law.

11. **Governing Law and Venue.** This Agreement shall be governed and construed under the laws of the State of Colorado and venue shall be in the County in which the District is located.

12. **Inurement.** Each of the terms, covenants and conditions hereof shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and assigns.

13. **Integration.** This Agreement constitutes the entire agreement between the Parties with respect to the matters addressed herein. All prior discussions and negotiations regarding the subject matter hereof are merged herein.

14. **Parties Interested Herein.** Nothing expressed or implied in this Agreement is intended or shall be construed to confer upon, or to give to, any person other than the District and the Town any right, remedy, or claim under or by reason of this Agreement or any covenants, terms, conditions, or provisions thereof, and all the covenants, terms, conditions, and provisions in this Agreement by and on behalf of the District and the Town shall be for the sole and exclusive benefit of the Districts and the Town.

15. **Severability.** If any covenant, term, condition, or provision under this Agreement shall, for any reason, be held to be invalid or unenforceable, the invalidity or unenforceability of such covenant, term, condition, or provision shall not affect any other provision contained herein, the intention being that such provisions are severable.

16. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall constitute an original and all of which shall constitute one and the same document.

17. **No Liability of Town.** The Town has no obligation whatsoever to construct any improvements that the District is required to construct, or pay any debt or liability of the District, including any Bonds.

18. **Attachment to Service Plan.** The District hereby agrees to attach this Agreement to the Service Plan in such a way that members of the public requesting inspection of the Service Plan will also be permitted to inspect this Agreement therewith as if part of the Service Plan.

19. **Paragraph Headings.** Paragraph headings are inserted for convenience of reference only.
20. **Defined Terms.** Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Service Plan.

PETITION FOR EXCLUSION OF PROPERTY

(Town of Johnstown Property)

TO: THE BOARD OF DIRECTORS OF THE
JOHNSTON FARMS METROPOLITAN DISTRICT,
TOWN OF JOHNSTOWN, WELD COUNTY, COLORADO

Pursuant to the provisions of §§ 32-1-501, et seq., C.R.S., the TOWN OF JOHNSTOWN (the "Petitioner") hereby respectfully requests that the JOHNSTOWN FARMS METROPOLITAN DISTRICT (the "District"), by and through its Board of Directors, exclude the real property described in Exhibit A, attached hereto and incorporated herein by this reference (the "Property"), from the boundaries of the District.

The Petitioner hereby represents and warrants to the District that it is the one hundred percent (100%) fee owner of the Property and that no other person, persons, entity or entities own an interest therein except as beneficial holders of encumbrances, if any. The Petitioner hereby assents to the exclusion of the Property from the boundaries of the District and to the entry of an Order by the District Court in and for Weld County, excluding the Property from the boundaries of the District.

The Petitioner hereby acknowledges that, without the consent of the Board of Directors of the District, it cannot withdraw its Petition once the notice of a public hearing on the Petition has been published.

Pursuant to § 32-1-501(1), C.R.S., the Petitioner agrees to pay all costs associated with the exclusion proceedings.

The name and address of the Petitioner is as follows:

Town of Johnstown
PO Box 609
450 S. Parish Avenue
Johnstown, CO 80534

LOT 1, JOHNSTOWN FARMS FILING #1, 2ND AMDENDMENT
TOWN OF JOHNSTOWN
COUNTY OF WELD
STATE OF COLORADO
AGENDA ITEM DESCRIPTION:
In 2017, Town Council provided funding for the I-25 improvements that have been ongoing for a number of years and are expected for completion in October 2023. In total, Town Council provided $7 million towards enhancing this corridor for the benefit of the community, the region, our collective transportation network, and to more effectively move trade and commerce across Northern Colorado.

As part of this financial contribution, the Town also desired to commission a study to perform a financial analysis on the ability to recover the funds, or a portion thereof. The study directly based on transportation impact and use of this new corridor and its network at the I-25/CO 402 Interchange. The study which is dated January 2020, included a presentation of findings provided by FHU. A copy of this report is also included with this item.

As part of their analysis, they identified two primary tiered zones that would most likely use the I-25/CO 402 interchange and provided a high-level overview of what a fee structure might look like to facilitate a partial reimbursement. Their findings, which are located on page 14 of the document, provides a scenario allowing for 72% of the total contributions to be potential recovered from the I-25/CO 402 Interchange and a target impact of roughly $5 million. The cost per trip model that is used to establish fees is scalable for the I-25/CO 402 interchange. In essence, the Council could determine based on the total contributions made by the Town, what portion they want to attribute to this interchange, since the estimated traffic generation based on full build out of land impacting the interchange is available. Based on this financial analysis, a schedule of fees based on various uses which include:

- Single Family Residential
- Multi-family Residential
- Office/ Retail/ Industrial
Based on discussions between Town Council and Town Manager, it is the understanding of the Town Manager that it is not the intent of the Town Council to collect 100% of the fees due to the fact that the Town wanted to be a financial partner in this and there are both direct and indirect benefits of the regional project. With this in mind, Town Staff is asking for Council to provide guidance related to either an approximate dollar amount that the Council wishes to attempt to collect as part of receiving a portion of reimbursement from this program, or consider options which are provided below in Table 1 that could guide the decision making on what an appropriate fee schedule may look like.

**Static Data**

- Tier 1 Daily Trip Generation: 35817
- Tier 2 Daily Trip Generation: 11638
- Ratio Recommendation: 2.5

Note: Any fee change made on the retail, Office & Industrial uses would be divided by 1,000 to be incorporated into our fee schedule due to the fact our schedule is by the square foot.
Comparatively speaking, our fees, specifically our impact fees for transportation, are much less than some of our neighboring communities. For example, Table 2 shown below details the transportation development fees of Johnstown and our neighboring communities for single family, multifamily, retail, office and industrial uses.

LEGAL ADVICE:
Not Applicable.

FINANCIAL ADVICE:
The Town has committed $7 million to the I-25 project and collecting a portion of its financial outlay could help for other projects in the immediate area adjacent to I-25.

RECOMMENDED ACTION:
Town Staff is requesting guidance and direction regarding this item, which if desired may include to provide a fee schedule ordinance in the future.

Reviewed and Approved for Presentation,

Town Manager

INTRODUCTION

The Colorado Department of Transportation is currently leading reconstruction of Interstate 25 (I-25) between Johnstown and Fort Collins. The project will increase capacity by adding an Express Lane in both directions, replacing four aging bridges, and widening two additional bridges. The project will also improve multimodal access to regional transit to promote mode shift, improve bus service performance by adding new bus slip ramps from I-25 to the new Park-n-Ride at Kendall Parkway, create new pedestrian and bicycle access under I-25 at Kendall Parkway, and construct new bridges over the Cache la Poudre River, allowing for the future completion of the regional trail. The project is expected to be completed in 2021 with the total cost estimated at $302 million.

As part of the project, the I-25/Colorado (CO) 402 interchange will be reconstructed, with completion scheduled by the end of 2019. Reconstruction will improve the safety of the interchange by smoothing out the curves, both horizontally and vertically, adding pedestrian and bike facilities to allow safe crossings of I-25, modernize the aging infrastructure, and increase interchange capacity to accommodate the continuing population growth in the Loveland and Johnstown area.

The Town of Johnstown has committed $7 million toward the I-25/CO 402 interchange reconstruction project. The Town engaged Felsburg Holt & Ullevig (FHU) to evaluate a potential impact fee that could be assessed on future development in Johnstown that will benefit from the improved interchange. This impact fee would allow the Town to recoup an appropriate portion of the committed $7 million Johnstown share of the cost of the planned interchange improvement project. This study provides forecasts of development in Johnstown, analysis of the contribution of development in various parts of Johnstown to the interchange, and a basis for an interchange impact fee for new Johnstown development that will benefit from improvements to the I-25/CO 402 interchange.
DEVELOPMENT FORECASTS

A key foundation for analyzing funding options is developing reasonable growth forecasts for areas that generate traffic using the interchange. The North Front Range Metropolitan Planning Organization (NFRMPO) regional model was used as a basis for forecasting. The regional model includes 2015 base year, and 2030 and 2040 model years. The regional model includes household and employment data and forecasts for the entire North Front Range region, using a transportation analysis zone (TAZ) system.

A study area was defined encompassing the part of Johnstown and the Town’s Growth Management Area judged to be within the influence area of the I-25/CO 402 interchange. Figure 1 shows the model TAZs that are in the study area, consisting of Johnstown limits or the Town’s Growth Management Area between CO 60/Larimer County Road 14 (LCR 14) on the south and US 34 on the north.

Johnstown’s own development expectations for 2030 and 2040 were established and used to replace NFRMPO forecasts for Johnstown’s TAZs. Johnstown’s Director of Planning and Development established forecasts of development types and magnitudes anticipated by 2030 and by 2040 based on current development activity and development trends. Town forecasts by acreage and general development types had to be translated into the household and employment data that is used in the regional travel model.

Table 1 shows the key assumptions that were used for this translation, including the mix of employment types for different general land use category, average density as measured by dwelling units/acre or floor area ratio (building area as a percentage of total land area), and average building square footage per employee.

| Density (ft²/Employee) | 500 | 300 | 1000 | -    |

Note: Values are based on information from the city and on industry standards

Table 2 shows the expected residential units and the acres of development by TAZ for different land use categories provided by the Town, along with the resulting employment by category based on the assumptions provided in Table 1. The employment results are displayed for three employment categories used in the regional model: Retail, Service (primarily office employment) and Base (industrial and agricultural employment). There were no forecasts provided for Medical employment, the fourth category used in the model.

</table>

Note: Forecasts based on provided development assumptions for each TAZ. See Table 3 for Household and Employment (growth) totals.
**Table 3** provides a summary of forecasted development between now and 2030 and 2040 for the Johnstown growth management area. Households include single family and multi-family residences and employment is shown by retail, service, and base employment types.

These development assumptions were added to the NFRMPO model's base year (2015) demographic data to develop total 2030 and 2040 forecasts, as shown on **Table 4**. Forecasts show more than a tripling of both households and employment anticipated by 2030 compared with 2015 base year data. Additional growth between 2030 and 2040 is expected to be approximately 130 percent for households and 65 percent for employment.

One complicating factor in the forecasting process is the fact that the regional model's base year is 2015 and there is no dataset available with current (2019) household and employment data. For traffic forecasting exercises described later in the report, it was necessary to estimate the growth that has occurred between 2015 and 2019. This was done using aerial photography and comparing estimated existing demographics to the 2015 data set. The 2019 estimates shown on **Table 4** result in an average (households and employment) estimate that 7.2 percent of the projected 2015 to 2030 growth has already taken place. The 2030 and 2040 calculated growth rate is also shown at the bottom of the table.

</tr>
</tbody>
</table>

Note: 2015 values are based on the North Front Range MPO model, adjusted to Johnstown’s TAZs areas. Growth '15-19' are estimated values based on satellite imagery. 2030 and 2040 are calculated based on forecasted growth values (Table 3) + estimated 2019 values.

Growth Rate - - 8.3% 6.1% - - 11.1% 10.8% - - 9.7% 7.9%

Note: 2019 Growth Rate (compound annual growth rate) is based on year 2015. 2030 and 2040 growth rate is based on yer 2019.
TRAFFIC FORECASTS

The base year, 2030 and 2040 regional travel models, with Johnstown development forecasts as described in the previous section, were used to prepare traffic forecasts for the I-25/CO 402 interchange. Table 5 documents the results of the forecasting. All data shown represent daily traffic volumes.

Following are descriptions of various data provided on Table 5:

- **Total Trips** – The Total Trips columns represent the total number of daily vehicle trips generated by each TAZ, including trips in and out of the TAZ.

- **Ramp Trips** – The Ramp Trips columns represent the number of daily trips to and from each TAZ that use the I-25/CO 402 interchange, specifically using one of the four interchange ramps.

- **%** - The % columns show the percentage of all TAZ trips that use the I-25/CO 402 interchange.

- **Ranking of TAZs by Interchange Use** – TAZs are ranked in descending order by the percentage of total TAZ traffic that uses the interchange. Development in the TAZs with the highest percentage of interchange use are judged to receive the most benefit of interchange improvements.

- **Tier 1 and Tier 2 TAZs** – TAZs that are estimated to have more than 17 percent of total trips using interchange ramps in 2030 are designated as Tier 1 TAZs. Other TAZs that are estimated to have more than 7 percent of total trips using the interchange ramps in 2030 are designated as Tier 2 TAZs.

- **Tier 1 and Tier 2 Averages** – The bottom rows of the table show 1st Tier and 2nd Tier totals. It shows that the average percentage of trips using the interchange for Tier 1 TAZs is 27 percent and the average for Tier 2 TAZs is 11 percent, so the average Tier 1 percentage is approximately 2.5 times as great for Tier 1 compared with Tier 2. This ratio will be used later in the report to establish an equitable fee level for Tier 1 versus Tier 2 areas.

- **TAZ 816 Special Treatment** – TAZ 816 overall showed a relatively low percentage of traffic using the interchange; however, it was judged that the low percentage applies to the portion of the TAZ that is north of the Big Thompson River and is therefore oriented to the north. The portion of TAZ 816 south of the Big Thompson River is expected to have traffic more oriented to the south toward WCR 54/CO 402 so that portion of the TAZ is being treated as a Tier 2 area.

Table 6 provides a summary of the forecasted trips using the I-25/CO 402 interchange and the proportion of those trips starting or ending in Johnstown zones.

- The Interchange Total Trips column provides the model's forecasts of interchange trips, which are the sum of the daily traffic volumes on the four interchange ramps. Total interchange trips are shown for 2019 (2015 model adjusted for estimated 2015 to 2019 growth), 2030, 2040, and growth between 2019 and 2030 and between 2019 and 2040.

- The Total Johnstown Trips column shows the number of trips and percentage of total interchange trips that are to or from the 29 TAZs that comprise the Johnstown study area as shown on Figure 1. Johnstown TAZs are estimated to account for 15 percent of 2019 interchange traffic, increasing to 40 percent in 2030 and 44 percent in 2040. This increase is a result of sharper development growth projected for Johnstown compared to Loveland and other areas that feed the interchange.

- The 1st Tier and 2nd Tier columns show the percentage of total interchange traffic estimated to begin or end in the TAZs in the 1st and 2nd Tier influence zones as shown on Figure 2.

Note: 2019 trips are based on 2015 model values plus same estimated growth rate as of development from 2015 to 2019 (from Table 4). 2030 and 2040 come from development values applied to the NFR MPO model.

Note: Based on TAZ’s with highest 2030 ramp trips ratio (> 17%).

Note: Based on TAZ’s with lowest 2030 ramp trips ratio (7% and 11%). It includes part of TAZ 816 since its southernmost section development would be in the influence area.

Note: Interchange Total (Ramps) Trips uses the North Front Range MPO (model). “% of total” refers Interchange Total Trips.

Using interchange trip data shown in Table 6, Table 7 provides a calculation of the fair share of Johnstown’s committed contribution to the interchange that can be attributed to growth in Johnstown’s 2-tier interchange influence area. It shows that the total Johnstown study area’s 2030 contribution to interchange traffic is an estimated 11,619 daily trips. The interchange traffic attributable to projected growth in the Tier 1 plus Tier 2 influence area is an estimated 8,326 daily trips, or 72 percent of the Johnstown study area total. This 72 percent will be applied to the $7 million Johnstown commitment to the interchange to obtain a $5,040,000 target for Johnstown influence area impact fees.

Note: Tier 1 and 2 data trips (2030) come from table 6
IMPACT FEES

To develop an impact fee, a service unit needs to be established as a basis for assessing equitable fees on different development types. Daily trip generation was selected as the appropriate service unit. Table 8 provides factors and rates used to translate residential units and employment forecasts into new daily trips for use as the service unit.

Table 8. Daily Trip Generation by Land Use Type

The top part of Table 8 provides factors to translate the employment forecasts presented earlier into building square footage, which is the measure commonly used for daily trip generation. Trip generation rates per 1,000 square feet of retail, office, and industrial employment, and per single family and multi-family dwelling unit were taken from the Trip Generation Manual, 10th Edition (Institute of Transportation Engineers, 2017).

In addition to trip generation rates, the manual provides estimates of the percent of traffic from different uses that represents new trips versus passerby trips where drivers stop on the way between primary destinations. A 64 percent trip factor was used for retail uses to generate a rate for new trips.

Table 9 applies the Table 8 trip rates to 2030 forecasts presented earlier and calculates estimated daily trip generation for development forecasted in Tier 1 and Tier 2 influence areas in 2030. Year 2030, rather than 2040, has been selected as the horizon year for the impact fee calculations because development forecasts in this timeframe were deemed by the Town as much more reliable than longer range forecasts to 2040, and because 10 years was judged to be a reasonable timeframe for assessment of fees directed at the interchange improvement.

Table 10 shows the derivation of the proposed impact fee per trip based on the following parameters as presented above:

- Target fee revenue – $5,040,000
- 2030 trips generated by new development in Tier 1 – 35,817
- 2030 trips generated by new development in Tier 2 – 11,638
- Target ratio of Tier 1 fee/trip to Tier 2 fee/trip – 2.5

Based on the $125 fee/trip for Tier 1 and $50 fee/trip for Tier 2, Table 11 provides a schedule of fees for five common land use types. The estimated revenue from these fees based on the development forecasts presented herein would be approximately $5.06 million.

AGENDA DATE: July 20, 2020

ITEM NUMBER: 10 C

SUBJECT: Town of Johnstown Small Business Micro Grant Program

ACTION PROPOSED: Discussion Only – Changes to the Johnstown Small Business Micro Grant Program

ATTACHMENTS: 1. Town of Johnstown Small Business Micro Grant Program

PRESENTED BY: Matt LeCerf, Town Manager

AGENDA ITEM DESCRIPTION:
On April 15, 2020 the Town Council created the Johnstown Small Business Micro Grant Program. This program established a grant program for small businesses physically located and operating in the Town’s boundaries. The grant specifically allowed and permitted for up to $10,000 to be available for any Johnstown Small Businesses. The grants focus was based on their economic impact experienced due to COVID-19. The Town appropriated $500,000 with the ability to appropriate up to $1,000,000 for this program. To date, 24 grants have been issued to local business in the Town of Johnstown totaling over $210,000.

While there have been many success stories associated with this program, there are also applicants that we have not been able to make awards to based on various reasons. One of the more notable justifications for not providing a grant is a simple fact that the business did not have a Town Business License as required by the Town of Johnstown. When the program was established, Town Council established eligibility guidelines to qualify as a potential recipient for the micro-grant. Those eligibility requirements including the following:

- Have an active Town Business License as of March 10, 2020
- Have at least one physical location within the Town, with no more than three total locations.
- Have had 1-50 employees on March 10, 2020
- Not be, or not have been, engaged in any illegal activity
- Show that historical profits would have been sufficient for the business to stay in operation and that COVID-19 outbreak has had a negative impact
- Be registered and in a good standing with the Colorado Secretary of State
Recently Staff has received a number of additional inquiries for the grant, and due the eligibility requirements has not been able to provide those in-town local business with this opportunity. Consequently, Town Staff wanted to request guidance regarding two elements of the grant program.

First, with respect to the applicants who did receive a grant, but may have not requested the full amount of $10,000 in their initial request. Staff would respectfully request guidance from Council as to whether that same applicant can reapply for additional funds of up to the $10,000 limit (the gap that may exist between what was initially awarded and $10,000) assuming the economic impact has continued and is warranted.

Second, for those applicants that may not have met the eligibility guidelines, Staff is inquiring if the Council would be interested in providing a grant for an applicant that may not meet one of the eligibility guidelines and provide them with consideration for a grant. If a micro-grant were to be provided to applicants not qualifying for all the eligibility requirements, Staff would suggest that a reduced total grant amount be provided of no more than 50% ($5,000) of what applicants meeting all eligibility requirements are able to receive based on their economic impact. Certain eligibility requirements you may want to consider as part of this 50% level (or percentage level determined by Council) may include:

- Not having an active business license in Town (but activating a license); or
- Modifying the eligibility for those with more than 50 employees as of the March 10, 2020.

The other eligibility guidelines that we have are requirements that Staff would recommend not forgoing in a grant consideration.

**LEGAL ADVICE:**
Not applicable.

**FINANCIAL ADVICE:**
Available funds have been allocated for this program and still exist to help ensure the success of the business in Johnstown.

**RECOMMENDED ACTION:** This item is for discussion purposes only unless desired by Council to make a change to the Micro Grant Program.

---

*Reviewed and Approved for Presentation,*

_______________________________
Town Manager
TOWN OF JOHNSTOWN
SMALL BUSINESS MICRO GRANT PROGRAM

Purpose:
The Small Business Micro Grant Program (the “Program”) is designed to help small businesses in the Town of Johnstown (“Town”) during the COVID-19 pandemic.

Introduction:
The Town recognizes and understands the value the small businesses bring to the community. To help support the small businesses, the Town created the Program to provide grants to help small businesses immediately offset some of the economic impacts arising from the pandemic.

The Program is open to small businesses physically located and operating within the Town’s boundaries, including locally-owned franchises. To be eligible for the Program, the business must have had 1-50 full-time employees on March 10, 2020, the date Governor Polis issued a statewide disaster declaration. Micro grants up to $10,000 will be available for small businesses in the Town.

The Town will review applications submitted and funding will be received on a first-come, first-served basis. Grants will be awarded in the sole discretion of the Town based on the submission of the required documentation, the responses provided in the application and any other factors the Town deems to be relevant. The Town may, but is not required to, provide a reason for the denial of an application or for the determination of the amount of the grant award. Submitting an application is not a guarantee of a grant award and the Town may terminate the Program at any time, for any reason, or when available funds are depleted.

Fund Availability:
$1,000,000 has been appropriated by the Town to fund the Program. After the expenditure of $500,000, the Town Manager is required to report the status of the Program to the Town Council, at which time the Town Council may either authorize the expenditure of the remaining $500,000, or any part thereof, or terminate funding. In the discretion of the Town, grants may be awarded in an amount up to, but not exceeding, $10,000.

How To Apply:
To apply, an applicant shall submit an application. Upon receipt of the application, the Town will contact the applicant to verify information and provide instructions on how to upload sensitive information.

The Community That Cares
**Required Documents:**
An applicant shall submit the following documentation with the application:
- Complete grant application;
- 2019 Tax Return/K-1 (or, if not filed, 2018 returns);
- 2019 Financial Statements (if not complete, 2018 statements may be substituted for the incomplete portion and if available);
- Verification of cash flow needs;
- Itemized budget for fund request; and
- Other information and documentation as may be requested by the Town subsequent to submission of the application.

**Eligibility Guidelines:**
To be eligible, an applicant must:
- Have an active Town Business License as of March 10, 2020;
- Have at least one physical location within the Town, with no more than three total locations;
- Have had 1-50 employees on March 10, 2020;
- Not be, or not have been, engaged in any illegal activity;
- Show that historical profits would have been sufficient for the business to stay in operation and that COVID-19 outbreak has had a negative impact; and
- Be registered and in good standing with Colorado Secretary of State.

**Review Process:**
Applications will be reviewed first by Town staff for completeness and eligibility. Following a determination of eligibility, applications will be reviewed and scored by a Review Committee of up to three (3) individuals selected by the Town. The Review Committee will make recommendations regarding grant awards to the Town Manager, who will consider the Review Committee’s recommendation and make the final determination to approve, defer or deny a Micro Grant award. The Town Manager may be a member of the Review Committee. The review period may take up to three (3) business days following submittal of a complete application. Incomplete applications will not be considered.

**Disclosure Information:**
The Town of Johnstown understands and supports the public’s right to access public records. Information submitted through the Program is a public record and may be subject to disclosure under the Colorado Open Records Act, C.R.S. §§24-72-200.1, *et seq.*
WORK SESSION
(Mission, Vision, Values Statement)
MEMORANDUM

TO: Honorable Mayor Gary Lebsack and Town Council Members
FROM: Matt LeCerf, Town Manager
DATE: July 20, 2020
SUBJECT: Work Session- Mission, Vision, Values Statement

At the June 8 Town of Johnstown mini-retreat, Town Council members discussed the mission, vision, and values statements for the organization. As part of this exercise, the Town Council established what the values are and ultimately this created an acronym called CARES. The values established are:

- Communication
- Accountability
- Respect
- Excellence
- Stewardship

As the Town Council discussed the mission and vision, the group identified elements of the mission that they desired to see inside and encapsulated into the mission statement. Town Council asked for Staff to see if they could wordsmith the mission statement and bring back various statements for consideration by the Mayor and Council. Attached are some of the recommended mission statements you may want to consider. If none of these completely resonate with you, Staff can certainly go back to the drawing board and try to reevaluate the mission statement. You will note that several sections in the mission statement are underlined, and those call out the differences in the proposed mission statement options.

With respect to crafting the vision, Town Council members provided the Town Manager with buzz words about what resonates as the vision of the community. Our Communication Manager, provides some recommendations in these visions that you may want to consider.

Regarding the vision, I think to a small extent we began having some “vision blockage” and while we weren’t completely sold on one of the visions, we were hopeful some of the options may help to facilitate some ideas from Town Council in identifying the vision and memorialize it. The ultimate purpose of this work session is to:

1. Determine if you are satisfied with one of the mission statements options; and
2. Determine if one of the visions works for you or if Council could provide additional guidance to help us better focus our efforts and energies.
Mission, Vision, Values

**Mission:**

Enhancing the quality of life of our residents, businesses, and visitors through community centered leadership.

Enhancing the quality of life of our residents, businesses, and visitors through innovative and community centered leadership.

Enhancing the quality of life of our residents, businesses, and visitors through leadership committed to exceptional service.

Improving the quality of life of our residents, businesses, and visitors through a commitment to homegrown innovative leadership that delivers exceptional services.

Enhancing the quality of life of our residents, businesses, and visitors through community centered leadership focused on providing exceptional services.

Improving the quality of life of our residents, businesses, and visitors through a commitment to innovative leadership that delivers exceptional services.

**The underlined above calls out the differences in the proposed Missions above**

Leadership committed to delivering exceptional services in an effort to improve the quality of life of our residents, businesses, and visitors.

Innovative leadership committed to delivering exceptional services to our community with care.

Leadership committed to delivering exceptional services to our community with care.

Leadership committed to enhancing the quality of life of our residents, businesses, and visitors by providing exceptional services.
A commitment to homegrown innovative leadership that delivers exceptional services to improve the quality of life of our residents, businesses, and visitors.

A commitment to homegrown innovative leadership that enhances the quality of life of our residents, businesses and visitors by providing exceptional services.

**Vision:**
*Still a work in progress – anything you like more than the others?*

1. Creating, Collaborating, Caring  
2. Innovating, Collaborating, Caring  
3. Big Town Opportunities, Small Town Community  
4. Big opportunities, small town charm  
5. Small town community offering big opportunities; innovating collaborating and caring  
6. Strong sense of community collaboration and care for developing opportunities  
7. Close knit community; far out opportunity  
8. Community dedicated to opportunity  
9. Small community dedicated to big opportunity  
10. Johnstown CARES about providing our small town community, big town opportunities.  
11. Innovating today for our community’s future tomorrow

**Values:**

**Johnstown**  
*Communication*  
*Accountability*  
*Respect*  
*Excellence*  
*Stewardship*
INFORMATIONAL
Virtual Conference!
Aug. 25-27, 2020

This conference will have plenty of opportunities for interaction with your fellow municipalities, a virtual exhibit hall, and 22 valuable sessions, including:

- Legislative update
- Cybersecurity
- Race and equity discussions
- Affordable housing
- Economic sustainability
- Law enforcement integrity

All designed to help your municipality adjust to the new normal.

Sessions run from 9 a.m. to 1 p.m.

Monthly Tonnage Summary 2020

Recycling Actual Compared to Recycling Goal (5%)
June 2020 Recycling Benefits for the Town of Johnstown

In June 2020, we recycled 41 tons of cans, bottles, paper, and cardboard.

Recycling these materials will save the following resources:

- **509 Mature Trees**
  Represents enough saved timber resources to produce 8,660,600 sheets of printing and copy paper!

- **97 Cubic Yards of Landfill Airspace**
  Enough airspace to fulfill the annual municipal waste disposal needs for 110 people!

- **71,077 Kw-Hrs of Electricity**
  Enough power to fulfill the annual electricity needs of 6 homes!

- **Avoided 91 Metric Tons (MTCO2E) of GHG Emissions**
  The recycling of these materials prevented these GHG emissions!

- **173,939 Gallons of Water**
  Represents enough saved water to meet the daily fresh water needs of 2,319 people!

PREPARED BY WASTE MANAGEMENT
