Enclosed and for your consideration are two separate agreements related to the distribution of CARES Act funding between Larimer County and the Larimer County municipalities and a separate agreement between Weld County and the Weld County municipalities. These items, while they are very similar in content, should be voted on as separate and distinct agreements and agenda items.

One component of the Federal Government’s adoption of the CARES Act included allocations to each state for financial support due to COVID-19. The State of Colorado’s allocation is $1.674 billion. Governor Polis’ Executive Order D2020-070 directed the expenditure of a portion of the State’s allocation, for COVID-19 aid and economic security. E.O. D2020-070 provides an allocation to the units of local government that did not receive a direct distribution of funds in the CARES Act for expenses to facilitate compliance with COVID-19 related public health measures. The top 5 most populated counties in Colorado received direct distributions from the CARES Act. The total allocation Governor Polis has made for local governments totals $275
million. The allocation that was made by Governor Polis was distributed proportionately based on county population. Larimer and Weld County rank number 6 and 7 respectively in the State for population. Based on this distribution method, Larimer County is expected to receive $30,617,332. Weld County, based on its population, is expected to receive a total distribution of $27,825,189. Representatives from the municipalities engaged with each of the counties to discuss how to distribute the funds in a fair and equitable manner. Each county and their respective municipalities agreed on similar basic tenants on how the funds would be distributed. The tenants are shown below:

1. Each local government entity would be reimbursed 100% for their costs incurred to date and to the extent possible.
2. There would be a significant effort to make sure that the remaining balances stay within the respective county, and excess funds are not returned back to the U.S. Department of Treasury. This may occur if all funds are not expended by December 30, 2020.

Johnstown, which resides in both Larimer and Weld Counties, received partial distributions and allocations based on their respective population in each county. The allocations are represented in the exhibits attached to the agreements. In Larimer County, the administrators for the County and municipalities identified a breakdown of the funds so that Larimer County would have access to 50% of the allocation, and then the rest of the entities received an allocation based on their pro rata population. This resulted in an allocation amount of $79,913 for Johnstown in Larimer County.

Weld County’s allocation has been handed in a similar method, recognizing the total allocation amount possible for each local government based percentage of total population in the county. Prior to that, they’ve identified a 50% or year-to-date costs incurred allocation cap until there is a reallocation. The Town’s 50% of allocation amount is $293,752. There is a total allocation amount of $587,505 available if necessary, based on incurred costs. During months September, October and November additional allocations will be made based on costs incurred by each local government.

With both agreements, there is an opportunity to access additional funds assuming not all municipalities in the respective county expend their funds in a timely manner. In September, representatives from the local governments in Larimer and Weld County have agreed to reconvene and identify what funds are still outstanding and yet to be spent, and following tenant number 1, ensure to the extent possible that every local government is made whole.
The requirements of the CARES Act funding entails, each local government must enter into the agreement, submit it to DOLA, and request reimbursement through DOLA by registering on their website through their portal. If all local governments are not able to come to an agreement, DOLA is required to step in and negotiate a distribution model that is nonnegotiable. We believe the methodology that was identified by each local government works well at this time and ensures that each local government has the opportunity to receive a reasonable and representative reimbursement of their costs incurred. There are two important aspects to consider in these costs – 1. When Johnstown embarked on the economic aid and health controls we have implemented, we had no expectations of a reimbursement and 2. While certain elements are being reimbursed, there still are costs that will not be reimbursable specifically any expenditures that were already assumed in the adopted budget as of March 27, 2020 – the most notable are personnel costs that were budgeted.

LEGAL ADVICE:
Both agreements were reviewed with comments provided to the respected counties by the Town Attorney.

FINANCIAL ADVICE:
This program provides significant assistance to the Town, but in the same instance, may also not guarantee full reimbursement of all the Town’s incurred costs.

RECOMMENDED ACTION: Adopt each of the CARES Act distribution agreements in separate motions.

MOU – Larimer County
MEMORANDUM OF UNDERSTANDING RELATED TO DISTRIBUTION OF CARES ACT FUNDS

This Memorandum of Understanding for Funding related to the distribution of CARES Act Title V funds (“Agreement”) is made and effective on _June 30_, 2020, by and among the Board of County Commissioners of Larimer County, Colorado (referred to as “County”), and the City of Fort Collins, Colorado, the City of Loveland, Colorado, the Town of Estes Park, Colorado, the Town of Timnath, Colorado, the Town of Berthoud, Colorado, the Town of Windsor, Colorado, the Town of Wellington, Colorado, and the Town of Johnstown, Colorado (individually referred to as “Municipality” or collectively as “Municipalities”). (The County and Municipalities will jointly be referred to as the “Parties.”)

I. RECITALS

A. The novel coronavirus referred to as COVID-19 has been declared a worldwide pandemic. National, state, and local emergencies have been declared as a result of COVID-19.

B. All of the Parties, as local governmental entities, have expended significant effort and funds to protect the community from the impacts of COVID-19 and to slow its spread.

C. Efforts to slow the spread and protect the community are ongoing and will require continued time and funding. Recovery efforts are also ongoing and will require the additional expenditure of time and funds.

D. The emergence and rapid spread of COVID-19 was unexpected and unable to be predicted. Therefore, local governments could not have adequately budgeted for such expenses.

E. The State of Colorado is appropriating $30,617,332.00 of CARES Act funding to Larimer County local governments to reimburse these unbudgeted expenses through the Department of Local Affairs (“DOLA”).

F. The State of Colorado has designated DOLA as the fiscal agent for the funding which will be administered as a reimbursement program following eligibility verification performed by DOLA for the expenses.

G. All parties recognize that it is in the best interest of the Larimer County community to work cooperatively to ensure that all of the Larimer County allocation is applied to the benefit of Larimer County residents rather than allowing the funds to remain unspent and revert to the state-wide reserve fund pool for reallocation elsewhere in the state.

H. The criteria for eligibility will be as prescribed in the CARES Act and rules which may be revised from time to time

I. The Parties wish to agree on how to divide the appropriated funds for the good of the community.

J. The Parties have a successful track record of working together for the benefit of the community.
K. County and Municipalities are authorized pursuant to Article XIV, Section 18 of the Colorado Constitution and Section 29-1-201, et seq., Colorado Revised Statutes, and pursuant to their home-rule authority, as applicable, to enter into agreements for the purpose of providing any service or performing any function which they can perform individually.

II. CONSIDERATION

NOW, THEREFORE, in consideration of the covenants and obligations herein expressed, the County and Municipalities each agree as follows.

III. TERMS AND CONDITIONS

A. Commencing as of the date set forth above and continuing until such time as the CARES Act funding allocated hereunder either has been fully disbursed to the Parties by DOLA or has reverted to the state-wide reserve fund pool for reallocation, the Parties agree to the following in relation to the CARES Act funds.

B. The obligations of the County and Municipalities to commit or expend funds are subject to and conditioned on the receipt of the CARES Act funds.

C. The funds will be distributed among the parties as outlined in Exhibit A, which is attached hereto and incorporated herein. Exhibit A contains the total estimated current and projected expenses by each unit of local government in order to establish intended “drawdown” of funds.

D. Each Party is individually responsible for completing all activities necessary to become eligible to receive reimbursement from the CARES Act funds, including “opting in” to establish an account in the DOLA system for administering CARES Act funds. If a Party fails to complete such necessary activities, such Party may not be eligible for distribution of the funds.

E. Each Party, at its sole discretion, may use the funds allocated to it in any manner appropriate under the CARES Act as administered by DOLA and assumes responsibility for ensuring the funds are only used for eligible expenses as determined by DOLA under the CARES Act criteria.

F. Each Party will assume responsibility for covering its own costs until such time as reimbursement is received from DOLA and assumes its own risk that such reimbursement may not occur. No Party will have any expectation that other Parties to this Agreement will be providing any CARES act funds to another. Each party is liable for its own spending.
G. Any parties may seek partners on projects eligible for CARES Act reimbursement, whether or not from among the other Parties to this Agreement. Any party may seek to reallocate its funds to or from another eligible CARES Act participant as part of a separate cooperative agreement. No Party is under any obligation to participate in any such cooperative projects.

H. Each Party, as a subrecipient of CARES Act funds, which are deemed federal financial assistance subject to the Single Audit Act (31 U.S.C. §§ 7501-7507), is responsible for ensuring compliance with respect to all applicable provisions of federal and state regulations and standards as it applies to the CARES Act, including, but not limited to, the Uniform Guidance (2 C.F.R. Part 200) and Catalog of Federal Domestic Assistance (CFDA) 21.019, which at effective date of MOU among parties is pending completion of registration. Should any portion of funds awarded/allocated to a Party be de-obligated pursuant to failure to comply with applicable federal and/or state requirements as they apply to the CARES Act, any re-payment of funds to the federal and/or state agency requesting repayment is the responsibility of the Party from which award/allotment amount was originally allocated.

I. The parties will confer in early September 2020 to share information about the progress of each Party’s application of the funds to beneficial use in the community and to consider an adjustment to the allocations in the event a Party does not reasonably expect to utilize all of that Party’s allocated funds.

J. Each Party will keep an appropriate accounting of the expenditure of funds sufficient to meet the needs of DOLA and their own accounting practices, and any other applicable CARES Act requirements.

K. This Agreement is to be construed according to its fair meaning and as if prepared by all parties hereto and is deemed to be and contain the entire understanding and agreement between the parties hereto. There shall be deemed to be no other terms, conditions, promises, understandings, statements, or representations, expressed or implied, concerning this Agreement unless set forth in writing and signed by the Parties hereto.

L. This Agreement cannot be modified except in writing signed by all Parties.

M. This Agreement will be governed by and its terms construed under the laws of the State of Colorado. Venue for any action shall be in Larimer County, State of Colorado.
N. Nothing contained herein is deemed or should be construed by the Parties or by any third party as creating the relationship of principle and agent, a partnership or a joint venture between the Parties, or an employment relationship between the Parties.

O. This Agreement is made for the sole and exclusive benefit of County and Municipalities, their successors and assigns, and it is not made for the benefit of any third party.

P. If any term or condition of this Agreement is held to be invalid by final judgment of any court of competent jurisdiction, the invalidity of such a term or condition, will not in any way affect any of the other terms or conditions of this Agreement, provided that the invalidity of any such term or condition does not materially prejudice any Party in their respective rights and obligations under the valid terms and conditions of this Agreement.

Q. No Party will be deemed in violation of this Agreement if prevented from performing any of its respective obligations hereunder by reason of strikes, boycotts, labor disputes, embargoes, shortage of energy or materials, acts of God, acts of public enemies, acts of superior governmental authorities, weather conditions, rights, rebellions, sabotage, or any other circumstances for which it is not responsible or that are not within its control.

R. Notification to Parties to this Agreement shall be made to the U.S. mail addresses or to the electronic email addresses listed on Exhibit B.

S. This Agreement may be signed by the Parties in counterpart.
