FAÇADE GRANT PROGRAM DESCRIPTION

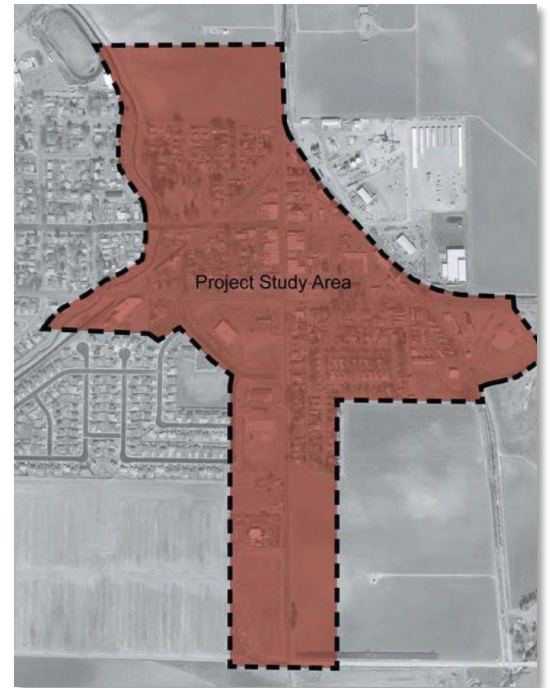

PURPOSE

The Façade Grant Program is a reimbursement grant program provided to a business and/or property owner for the improvement of existing commercial buildings throughout the Downtown corridor (refer to project study area map). The grant program is intended to serve as a catalyst for significant aesthetic improvements to eligible commercial properties in Downtown Johnstown.

The Town encourages and will prioritize catalytic façade improvements and renovation projects that include a combination of several of the following: structural façade improvements, paint, awnings, signs, addition of architectural detail to façade, façade tile or stone accents, decorative entry walkway area, outside dining with decorative fencing, outside decorative lighting and new energy efficient windows. Larger projects that include multiple structures, owners, and businesses may also be prioritized.

WHAT YOU NEED TO KNOW

- Façade grants are awarded on a 50/50 matching basis, with a maximum of \$10,000 per building/façade. A single building can only apply every 10 years for façade improvements that have been previously improved through grant funds.
- Signage grants are awarded on a 50/50 matching basis, with a maximum of \$1,000 per business. A single business can only apply once for the lifetime of the business.
- Owners of vacant buildings shall be eligible if the owner's purpose is to rehabilitate the building to attract new commercial tenants.
- Façade and signage grant projects, including submission for proof of payment must be completed within 6 months or by December 31st of the same calendar year; whichever comes first. Extensions may be granted on a case-by-case basis. It is the responsibility of the applicant to request an extension. The Town aims to fund as many projects as possible and will not earmark funds with applicants who are not completing their projects within the stated timeframe.
- If applicable, business must have a current business license on file prior to submitting a grant application. Grant applications WILL NOT be accepted without a business license on file with the Town Clerk office.

REVIEW & AWARD PROCESS

The Town will review completed applications on a first-come, first-serve basis and award applicants at the sole discretion of the Town, based on the submitted documentation and any other factors the Town deems to be relevant. If an applicant is awarded grant funds, they will receive a grant award determination letter. The applicant may begin the project once a grant award determination letter and required Town permits and approvals have been issued. The Town may, but is not required to, provide a reason for any denial of an application or for the determination of the amount of the grant award. Grants are subject to availability of Town funds, based on the annual approved budget, and prior grant awards. Awarded applicants will have demonstrated the following in their submission:

- ✓ Improvements to the exterior appearance of a building
- ✓ Historical preservation that is appropriate and in compliance with the Downtown Design Guidelines
- ✓ Individual elements (i.e.- awning, signage, painting) may be deemed eligible, but more holistic and permanent façade, or building rehabilitation projects will be prioritized for funding (refer to program purpose)
- ✓ All projects must meet Town codes, standards, and regulations, and receive appropriate permits and approvals prior to commencement of the project.

ELIGIBLE & INELIGIBLE IMPROVEMENTS

Eligible improvements include costs associated with the physical rehabilitation of the front facing exterior of the property. Exceptions regarding “front facing” can be made on a case-by-case basis. All renovation and rehabilitation projects must comply with and meet the intent of the Downtown Design Guidelines. Applicants interested in learning about the history of their building are encouraged to contact the Historic Parish House Museum via email at jhscomuseum@gmail.com.
