SERVING ALCOHOLIC BEVERAGES IN THE COMMUNITY CENTER

The use of alcoholic beverages is permitted in the Community Center. Facility users should be aware that recent litigation has occurred which may hold the sponsor of an event serving alcohol accountable in the event of an accident. This flyer has been developed to give facility users an idea of the expectations and requirements they may encounter when serving alcoholic beverages in a public facility.

Damage Deposits - Damage deposits are required and will be refunded after the event if no problems occur. Please check with Town Hall to determine the deposit required. **If alcohol is consumed or served, the deposit may be greater than the normal deposit.**

Liability - Recent court cases have found bars and party hosts accountable for persons consuming too much liquor. Persons hosting the event should be aware of this and take preventative steps to control the situation. Liability has been extended to not only those attending the party, but to anyone injured by someone who has attended the party. The Town of Johnstown is the provider of space for the event and it is the responsibility of the facility user to manage the amount of alcohol consumed by persons using the Community Center.
